ON 11-07-19 I was Eligible to Be transferred to a Minimum Security prison Based on my Custody level of (Minimum Security) and Being a (out Custody Inmate). I asked Unit Team Manager C. Rothemel To put me In for a Transfer which would Be a Lesser Security 307 transfer Based on BOP policy MR. C. Rothemel Refused to put me In for Transfer and Refused to Change my Custody Classification Due to Custody Classification Changing on 11-07-19. Here at Allenwood there are chains of Commandment you must go through Before filing Prison grievance. which Complain to (A.W) Assistance Warden who is J. Gubbio. Once I Spoke with MR. J. Gubbio about the unprofessionalism of MR. C. Rothemel MR. J. Gubbio Spoke with MR. Rothemel and Told Him to fix my points which Before 11-07-19 my Custody points was (14 points) (Low Security) (In Custody) after Speaking with MR. J. Gubbio MR. Rothemel Decided to change my points But Instead of Calculating the points Right. MR. Rothemel Tampered with the Custody points and changed the points to 12 points low Security and In Custody which was In Correct. the point change for Custody classification should be 10 points Minimum Security and out Custody once I asked MR. Rothemel why He's playing with my points and Refusing my Transfer for Lesser Security Transfer Because my Mom and Grandmother is dying and MR. Rothemel knew So MR. Rothemel suggest I do a Sexual favor and then He will fix my points He also stated, that He's Retaliating Against me Cause I went over His Head and Spoke with his Supervisor. So He's not doing anything Cause It's nothing they Can do to Him Cause He's leaving. So I Spoke with the A.W J. Gubbio about MR. Rothemel Actions, I never mention the Sexual favor Because I was already Being Retaliated Against and plus Staff at Allenwood all work together But I did mention to A.W Gubbio about Him Refusing to do my Custody classification points Correctly I did Report the Sexual favor to the Attorney General office But didn't get any Response Back. Once MR. Rothemel Spoke with A.W Gubbio again He changed my Custody classification points to 11 points Instead of 10 points But MR. Rothemel changed to 11 points Minimum Security and In Custody which

## page 4 of 11 ① Retaliation

the Custody points Suppose to Be 10 points Minimum Security and out Custody 11 points makes me eligible for minimum Security prison and also place my life In Jeopardy by Being around Higher Security Inmates once I explained to the A.W Gubbio about the Transfer He decided to Continue to Agree with his staff and allow the Retaliation to Continue I also explained my Situation with the Warden D.K white which also Agreed with Both staff Members that Mr. Rathwell Can Continue to Retaliate Against any Inmate who files Prison grievances Against him or any staff Member which Violates my first Amendment Rights of freedom of Speech and the Rights to have Access to the Courts the Rights to file prison Grievances Is the Rights to prisoners, prisoners shall not be punish for Accessing the Courts.

## 2. Discrimination

on 11-26-19 once my Custody classification changed to 11 points making me eligible for (Camp) minimum Security the Warden D.K white Decided to not allow the transfer and make me do a Gatepass program which is not B.O.P policy In order for me to transfer Every Inmate who are Low Security Inmates Transfer close to Home or other facilities without doing a Gatepass program this program is only designed to target Minimum Security Inmates like myself who Custody level don't match with the facility custody level the Gatepass program is a program that's designed to Allow the Warden D.K white to Collect Bonuses and Benefit financially off of prisoner's who do not belong In his prison of L.S.C.I Allenward (Low) the B.O.P never made this program Mandatory But D.K white made this program Mandatory only for the minority of Inmates who do not belong at this prison If the Inmate Refuses this program the Inmate will be punish, like a Incident Report which takes away privillages and Denying of Transfers to other facility - this is a 6 month program that is not Mandatory by B.O.P. policy But Inmate's still get punish Because the Warden D.K white

## page 4 of 11 ② Discrimination

Cannot Collect his bonus or funds for this program. The gate pass program declared unconstitutional discriminatory because its target is only the minority of inmates who deny bail at the prison and the program also target the entire Midwest inmates. (See prison data) for Midwest inmates who are eligible to return to the Midwest Region prison over 100 Midwest inmates are eligible for transfer only half are eligible to go to Minimum Security and that half was denied transfer to Minimum Security transfer which is called a (307) transfer for lesser security and program needs also each Midwest inmate was denied the gate pass program in order to be punish for refusing the program every inmate that is enrolled in the gate pass program this institution and the warden D.K. White receives substantial amount of extra funding which goes into a general all-purpose fund. Subsequently, the warden will pay himself substantial bonuses out of this general fund, this program was designed for inmates who is already at a camp facility (minimum security) but since this prison doesn't have a camp the warden D.K. White fills those gate pass jobs by using inmates who have been deemed eligible for camp and who do not deny in the low custody facility. This is for the warden white to personally profit financially under the practice of forced labor by requiring inmates to either work or be punish which violates my 1st Amendment rights and target a certain group of inmates.

## 3. Retaliation/Conspiracy

on 12-4-2019 C.S.O J. Reigle and Correctional Systems Supervisor Don Wasilko conspired with C. Rothemel to retaliate against me by delaying my transfer by looking for false warrants to place a detainer on me so that I cannot go to the camp or any minimum security prison on 12-4-2019 Mr C. Rothemel told J. Reigle and Don Wasilko to look for the oldest case in my files to delay my transfer and send a request out to Chicago, Ill police department to search for a warrant based on a 1987 case when I was 13 years old

## page 4 of 11 (3) Retaliation / Conspiracy

Mr. C. Rothemel, J. Reigle, and Don Wasilko knows that there ISN'T a 'Warrant' for my arrest for a 1987 case that was Dismissed when I was 13 year's old I am now 45 year's old, I have been in prison 3 times serving long Convictions I have been transferred from prison to prison a warrant, and Detainers stops all transferred especially to a (Camp prison) Before coming to L.S.C.I. Allenwood (Low) I was already at a Minimum Security prison (Thompson, Ill Federal Camp) I have been to several prisons starting in a U.S.P. Medium, Low, Camp I never had a detainer placed on me and my files stated that there are not any Warrants or Detainers placed on me. Mr. C. Rothemel, J. Reigle and Don Wasilko are conspiring to Retaliate Against me Cause I am filing my prison Remedies Against Mr. C. Rothemel and the Warden my Mom is Very Ill (Sick) Hospitalized I am far away from home and I am eligible to go close to home but because I refused Sexual Fucks and have been filing Prison Grievances Against Unit Team Manager C. Rothemel, Staff have conspired with C. Rothemel to Retaliate Against me which Violates my Rights under the 1st Amendment and this Retaliation is Constant going on unless the Courts Intervene in the Matter.

## 4. Food poisoning

On 12-16-19 at 10:30 am to 11:00 AM I was Called to (Chow) lunch from work at UNICON, the Chaphell was serving Beef Taco once entering the kitchen several inmates stated that something smelled Bad But Because I have Very Bad Sinus problems I couldn't really smell the scent once I got my food tray with only Taco Beef Meat and Flour Tortilla shells, I sat Down at the table and a inmate sitting next to me said "Man" that Beef smells Spiced that's the odor in the kitchen, I thought he was joking a begin eating the Beef meat 10 minutes after I ate the meat my stomach began having cramping pains and I instantly had to Run to the Restroom as soon as I sat Down I had

page 4 of 11 @ food poisoning

4 Diarrhea which lasted for 5 minutes then I got up off the toilet and 5 minutes after I got up I had to go back down again for another 10 minutes. My head began to hurt and I began to feel Dizzy and Sweating after 10 minutes I had to return to work once at work I continue to go to the rest room every 10 minutes after I had gotten up off the toilet I also started having chills from 11:30 to 2:30pm I went to the Restroom 25 times causing my Anus to become very Sore and Swollen making it hard for me to clean my self once after work I came back to my housing unit used the Restroom and Vomited about 3 times and then went to Bed to Cover up because I had the Chills and my head was aching and I was Dizzy all day and night I continue to have Diarrhea, I used the Restroom 40 something times that day and night then on 12-17-19 I was very ill (sick) but I decided to go to work because the Medical Service is closed for Sick Call Inmates on Tuesday I had to wait until Wednesday, But I Couldn't wait until Wednesday because I was very ill and my co-workers said that I wasn't looking right which means I was looking very Sick so I asked my UNICOR Supervisor could he call Medical and get me in Health Services because I have food poisoning the UNICOR ~~Service~~ Supervisor called and they approved me to come over once over at Medical I was seen by a Doctor named Stewart Ackerman. He asked me a few questions and stated that I had food poisoning and that I was Dehydrated because of all the Vomiting and Diarrhea and I need a (I.V) which I was placed on a I.V for 1 hour. Several other Inmates also became Sick from the Beef I Reported this Incident to Food Administrator A. Canale's and A.W food Warden and they said they will Investigate the Matter, Inmates continue to become Sick from chicken and Beef and Food administrator A. Canale's continue to serve Spiced Chicken and Beef because of the food poisoning I Couldn't Control my Bowels and I Diarrhea on my self cause I Couldn't hold my Bowels I Suffered pain in my Anus and Anal, I had abdominal pain, cramping, dizziness, chills, aches

page 4 of 11 (4) food poisoning

4. diarrhea, Nausea, headaches also I experience Embarrassment. The Doctor Stewart Ackman never collect any stool sample to diagnose the Cause of Illness even though He stated It was food poisoning. I was only given a I.V and nothing else happen. I couldn't eat for 1 week and I was still constantly Vomiting and having Diarrhea from 12-16-19 to 12-23-19. This treatment Violates my 8th Amendment Rights and also Violates the Negligence Claim under Pennsylvania Law which Contains (4 elements) which this prison Refused to honor. Food poisoning placed my health and life in serious Danger and Because the food Supervisor, due Refusing to change the Beef and chicken with new Beef and chicken produce every week A. Canales Not only Is and has placed my life in danger but also has placed other prisoners life in danger which was a deliberately Indifferent in prisoner health and Safety. Because the Beef and chicken Isn't checked regularly places prisoner life in Danger even after Inmate's Complaint and even when they Smell that the food Is Spoiled Violates the 8th Amendment.

the Case Manager Job Is to help Inmate's with Certain Situation pertaining to prison Including Transfer, the Case Manager Job Is to place a Inmate in for a Transfer then Refer ~~I~~ to the Unit team Manager for Approval. Mr. Zachery Albright Refused to place me in for transfer Because of Retaliation for filing Prison Grievances on HIS BOSS (Supervisor) Mr. C. Rathemel even though a Inmate don't have a Right to be placed in the facility of HIS/HER choice. The Inmate Does have the Right to Request transfer to Another facility and only Be Denied Based on B.O.P policy Not out of Retaliation for filing Prison grievances which Violates the 1st Amendment and the Due process clause Because a prisoner Do have the Rights to fair Due process when Dealing with B.O.P policy this Denial of Transfer has Caused me pain and Suffering Because of my Mom Dying and Grandmother being Sick and I haven't Seen neither Since being In Carcerated a year's Ago has Caused Me pain and Suffering and It's also denying Me the Right to have Communication with family Because I am over 600 flying Miles

## VI Relief

that I had food poisoning from 12-16-19 to 12-23-19 I would also like \$1.28 Cents for every hour I missed at work for 2 days and 8 hours which would be \$1.28 cents for 16 hours of work missed due to food poisoning. I would like Unit Team Manager C. Rothamel to be transfer to another facility and I would like D. K. White Warden to end the gatepass and produce the financial records for the Gatepass program and what and how the money is being spent. I also want the medical staff to check Inmate's stool and place them in quarantine rooms until the results come back from Inmate Test results after reports of food poisoning and I would also like a permanent Restraining Order placed on the entire of Allen ward prison compound so that I will not be retaliated against either further and I would like for staff not to make sexual advances towards Inmate to get special privileges. I would also like that this prison get investigated for prisoner abuse and misuse of Tax payer funds. and I am asking for \$50,000 Dollars from each individual that is part of this law suit and I would like to be transfer to a facility close to home that's in my Region of the Midwest.

FROM: Whitney, Shannon  
TO: 12744030  
SUBJECT: Hi  
DATE: 10/23/2019 01:36:01 PM

Wanted to say hello and hope your week is going well.

You need to find a way to call and check on your momma. I'm not sure what's wrong with her but Tanisha didn't want me to tell you because she didn't want you to worry but my loyalty is with you and I know you would want to know something is wrong. I would want to know if it was my momma and would not be happy if someone kept my mom's condition from me. I asked if I could tell you and she asked me not to because she didn't want you in there worrying. I saw she posted something again today about her being sick. That's all the information I have. Shes had a few surgeries and Tanisha was asking for prayers. That's all I know. I hope me telling you don't cause an issue with Tanisha but like I said my loyalty is with you first and foremost when it comes to this. I'm sorry I have to be the one to tell you. I'm sending prayers out to your family.

I'll write again if I hear more. I hope you'll get this soon.

## Part A- INMATE REQUEST

Because Gatepass program is not a mandatory program but a discriminating program I am requesting a lesser security transfer (307) on 12-10-19 I filed a BPR asking to be transfer to a lesser security facility based on B.O.P policy I was denied based on the discriminating Gatepass program. I have names of several inmates who do not have to take the Gatepass program with minimum security points and have been put in for transfer due to the fact they are in this region also every low custody inmate do not have to take the Gatepass program when this is a low security facility this Gatepass program targets only minimum security inmates who custody level do not matches this facility. also this Gatepass program target all Midwest inmates who are over 500 driving miles from they place of Resident Social Inmate's have been reviewed and designated for transfer already who have asked or transferred at the same time I have asked for transfer, this Gatepass program is a forced program that targets the minority of inmates with minimum security points 12-12-19 which violates my 1st Amendment Rights Damon O'Neil 12744-030 (Cont 7)

Unit Team Manager Mr. C Rothemel went into my P.S.I. and find a case from 1987 that's 32 years ago that was Dismissed to prolong my transfer this case was Dismissed 32 years ago I have been to state prison twice and federal once, 7 years in state 4 years in state and a life sentence in the federal I have been arrested several times and if I had a warrant from 1987 it would of have been on my records I have come from U.S.P. Medium Low and Camp without be detained each place had copies of my P.S.I. But as soon as I ask for transfer I get retaliated against by C. Rothemel this Retaliation is constantly occurring and its violating my 1st Amendment rights I have the rights to speak to anybody I want to and to file my Prison Grievances which is also why C. Rothemel is Retaliation against me and for writing the Senator of Illinois Mr. C. Rothemel also says to write it up cause he's leaving soon anyway and nothing will happen to him, I would like for the Retaliation to stop so that I can live peacefully on Gregg Unit and to be put in for a (307) transfer I should not be in fear of my time and freedom being jeopardized out of Retaliation or my paperwork being tampered with or altered in any shape, form or fashion and I should have to be conspired with by Rothemel and his staff to be retaliated against me which keeps me away of my dying Mom and Sick Grandmother and kids. Retaliation by Prison staff is also a form of unprofessionalism at a work place I now have 11 points which should be 16 points but both places me in Minimum Security and out custody

I am requesting a transfer to the Midwest Region Any Minimum Security Facility, Terre Haute IN, Joliet IL, Marion IL. These facilities matches my custody level, take care of my medical needs, have the programs needed to further my education and also have the first step set up close to home transfer. I am asking for a (307) Transfer also a Cadre Transfer to M.C.C Chicago to be a Work Cadre which is a program I am requesting to take. I am not requesting to take the Gatepass program and B.O.P policy states that inmates cannot be forced to participate in programs that are not mandatory by B.O.P policy and cannot be denied transfer cause inmate refused to take a program that is not benefit to him/her. The Gatepass is designed for inmates who are already at camp like (Levensburg) or inmates who have never been to a camp and want to take the Gatepass program. The Gatepass program was not ruled by a Court, Judge or B.O.P to take forcing me to work is slave labor which violates my right forcing me to participate in a program that I did not request violates my 1st Amendment rights and being punish for not participating in this program violates my rights under cruel and unusually punishment my 8th Amendment Right I requested this transfer from Unit team Manager C. Rothemel and was denied. I spoke with A.W. Gubich about the transfer which he agreed with M.C.C Rothemel which denied this transfer and refused to send my transfer to Grand Prairie also this program is based on not just discrimination towards the Midwest but also Africa Americans there are more Africa Americans being forced to work and participate in the Gatepass program then white inmates. This program is UNconstitutionally DISCRIMINATORY and every inmate should be given the chance to go to the Camp instead of doing Gatepass. The Gatepass program should be by choice not force and it should not be a discriminatory program targeting only one group of inmates.

Because I have filed several RP's, Told the Secretary of Illinois, and the Attorney General and the A.W. and Warden about his behavior. This Retaliation Violates my 1st Amendment Rights and 8th Amendment Rights Cruel and Unusual punishment. Because C. Rathemel knows my Mom is very Sick and My Grandmother is also my Year-Release Resident. The Records Staff and Supervisor are conspiring to place a Detainer on me with false Information. The Records Office and Rathemel knows that this 1989 Charge is dismissed. I have never had a detainer placed on me. I came from the U.S.P. Medium, Low and Camp and I have been in State prison twice and have been arrested several times since the age of 13. This Retaliation is prolonging my lesser security transfer and violates my rights to be protected from cruel and unusual punishment and Retaliation for filing my Prison Grievances. This treatment is causing Pain and Suffering, stress, Depression, and fear of Health and Freedom.

This program Violates My 1st Amendment Rights and It discriminates against a Certain group of people who do not suppose to be in low facility all white inmates and low inmates don't have to take Gatepass only Midwest inmates and inmates with minimum security in this program Target's the minority of inmates who is (Mismatched in there security level) and who do not belong in a low facility, which is also a security risk which jeopardize my safety and freedom and Violates my 1st Amendment Rights this Gatepass program only Benefits the Warden the Gatepass program is not a policy program created by B.O.P this program is created to force inmates to work at a job that he doesn't want to work at and it doesn't prepare you for a camp because majority of inmates who go on Gatepass have already been at camps and it doesn't teaches any job skills because majority of the inmates including myself already have jobs working at the prison I am in the UNICOR program one of the top programs in the B.O.P which teaches you a job skill and trade and allows you to be able to save money and cause less stress from your family the Gatepass program is created to benefit the Warden and the prison and it places inmates safety and freedom in jeopardy because it's applies only to minimum security inmates who do not belong in a low security facility and who do not want to do this program, the Gatepass program is being forced upon inmates and if you refuse this program reach is not mandatory by B.O.P policy you get punish and retaliated against for (example Denying of Transfer close to Home)

custody classification. to the lowest point which is 410 points  
minimum security and (out) custody also Mr. Rathmel is  
trying to put a detainee on me by searching my P.S.I for  
cases and charges that have been dismissed already. Mr. Rathmel  
is doing this out of Retaliation for talking to his Supervisor and for  
writing my Prison grievances and other things this Retaliation  
violates my 1st Amendment Rights I should feel safe when  
writing my Prison Grievances when staff is performing unprofessional  
also A.W. Gagliardi this agreeing with the Unit Team Manager  
and is allowing the Retaliation to go on Mr. Rathmel is doing  
this because he (stat's that he's leaving anyway) so write it up  
also since Mr. Rathmel knows that I'm trying to transfer  
because my Mom and Grandmother is very sick he's stopping  
me from having contact with family through visits and is putting  
a burden on my family and this Retaliation is going on because  
I have reported this place and them to my Senator Mr. Durbin  
and other Senator's have called and requested transfer or  
halfway House Based on B.O.P policy I am eligible for a  
lesser security transfer. and B.O.P policy Does not state  
that you have to participate in any type of program  
to get a (30%) transfer. Retaliation is very high here  
at Allenwood (low) and inmates including myself 1st Amendment  
rights are violated when inmates follow protocol and get retaliated  
against because of staff unprofessional performance this Retaliation  
only happen to inmates who do not get into trouble on HFS and of  
these Region, (Child Molester, Chemo's, Transgender, and Informants) do  
not get retaliated against they get benefits like transfers and other special
